**THE NEW GENERATION INTELLIGENT ADIABATIC
SMART COOLING™ SYSTEM**

**STATE-OF-THE-ART PRE-COOLING TECHNOLOGY
DELIVERING MORE COOLING CAPACITY WITH LOWER
ELECTRICITY CONSUMPTION**

FACTS ABOUT US

What is Smart Cooling™

Smart Cooling™ is the newest generation, cutting-edge technology in cooling engineering. The intelligent adiabatic Smart Cooling™ system reduces electricity consumption while increasing cooling capacity, delivering unparalleled gains in efficiency, savings, and protection for all types of chillers.

- Product development began in 2010
- Mother company: SWISS INTEGRATED ENERGY TECHNOLOGIES AG
- Industry sector: engineering sciences / HVAC adiabatic pre-cooling
- Assembly plant in the European Union (Latvia)

Operating markets:

Australia, Germany, Greece, Hungary, India, Italy, Kazakhstan, Russia, South Africa, Spain, UAE, Ukraine, USA.

SMART COOLING

COOPERATION

What is Smart Cooling™

Smart Cooling™ was developed to respond to the global challenge of using dwindling energy resources more efficiently.

Smart Cooling™ understands that energy efficiency is key in a world of growing energy demand and in need of more sustainable energy generation and usage.

SWISS INTEGRATED ENERGY TECHNOLOGIES AG

COOPERATION

Quality & Responsibility

Compliance with high-quality standards is our commitment

ALL SWISS INTEGRATED ENERGY TECHNOLOGIES

AG processes are in accordance with ISO 9001 quality management system.

Smart Cooling™ products are marked with the CE Marking, certifying total product safety.

SMART COOLING

COOPERATION

The new generation intelligent adiabatic Smart Cooling™ system

SmartCooling's™ innovative technology significantly reduces electricity consumption while boosting cooling capacity by lowering the air temperature flowing into the condensers of chillers from all major manufacturers.

Carefully crafted **Smart Cooling™** devices protect and lengthen the lifespan of the cooling equipment, delivering major electricity and financial savings.

SWISS INTEGRATED ENERGY TECHNOLOGIES AG

COOPERATION PARTNERS

Smart Cooling™ is used and trusted by all leading refrigerating chiller manufacturers OMI and industry professionals: Johnson control, Daikin, Trane, Carrier, GEA, Clint, and Stulz.

Smart Cooling™ equipment has been installed at the premises of global leaders such as Schneider Electric, Mars, Renault, GSK, Phillip Morris, Bosch, Wilkinson, Sheraton, Radisson BLU, Vodafone, IKEA, and Blygold.

SWISS INTEGRATED ENERGY TECHNOLOGIES AG

TECHNICAL SUPPORT

Smart Cooling's™ technical support center provides complete customer care throughout each project. **Smart Cooling™** supervisors are highly-qualified engineers ready to advise and support the implementation of the best solutions for every customer whenever necessary.

SWISS INTEGRATED ENERGY TECHNOLOGIES AG

TRAINING

Smart Cooling™ offers training programs for our customers' technical and sales staff. We are committed to supporting our partners remain one step ahead in the industry's technology trends.
